

THE ALMA RECORD.

VOL. XXXVIII—No. 32

ALMA, MICHIGAN, THURSDAY, AFTERNOON, NOVEMBER 9, 1916

WHOLE NUMBER 1964

HUGHES REPORTED TO BE IN LEAD

Latest Advices Are That Republicans May Win National Election.

MANY STATES ARE CLOSE

Recount May be Needed in a Number of States to Give the Winner.

The latest available reports on the presidential race are that Charles Evans Hughes, the Republican candidate, may yet come through and be elected in spite of the fact that twenty-four hours ago, he was almost counted out.

Senator-Elect Kellogg of Minnesota has telegraphed to William Alden Smith of Grand Rapids to the effect that Minnesota will return for Charles Evans Hughes, which will give the Republican nominee twelve votes more in the race. Full returns are not yet in from Minnesota and, while it is being claimed by the Republicans, the twelve electoral votes have not yet been counted in the Republican column.

Late returns say that Oregon has shifted from the Wilson column to the Hughes column with its five electoral votes. North Dakota has switched from the Wilson column to the Hughes column, adding five electoral votes to the Hughes strength.

Hughes is now conceded to have 242 electoral votes, and counting in the twelve from Minnesota and he lacks just two of the necessary 266 votes to insure election.

New Hampshire is reported as safely in the Republican column by the secretary of state, with a majority of 161.

California is still doubtful and Wilson is leading in this state with Hughes rapidly gaining as returns come from the country districts. The lead of Wilson in California is cut down to a few thousands and may go over to the Hughes column when the returns are all in.

West Virginia, New Mexico and North Dakota are about a toss up, and who gets these states will not be known until the entire vote is in, so close are the two running.

The latest available tabulation of electoral game Hughes 242 as certain and Wilson 251.

As the vote is expected to be exceedingly close in several of the states, like it was in New Hampshire, it may take a recount in these several states to determine who is elected president of the United States for the coming four years.

It is the closest result in years.

DRUB NORMALS

College Took Mt. Pleasant Into Camp Again on Wednesday.

On Wednesday of this week Coach Helmer took his new football team to Mt. Pleasant for a practice game with the Mt. Pleasant Normals and the Maroon and Cream brigade smashed through the Teachers almost at will, scoring 40 points against 0 for the Normals in a short quarter game.

Quarterback Smith did not get into the bout, as Coach Helmer would take no chances on the midget getting laid out before the two most important Michigan Intercollegiate games of the season and Hebert directed the play during the entire game. As soon as Helmer satisfied himself that his new lineup could deliver the goods, he started putting in scrubs, who might be needed in any of the coming three games, and still the scoring went merrily on. The Teachers simply could not stop the Maroon and Cream.

French was out of the game also, he having a bad knee, but the probabilities are that he will be able to get into the game with Olivet on Saturday.

HANDED OUT HOT STUFF

Father John Mulvey of this city, who has been out campaigning for the dries in Michigan, has been taking some hot shots at the liquor business in his many speeches.

Speaking in the auditorium in Saginaw he urged the Catholic voters of that city to give their united support to the cause of prohibition, and he was pounding forth arguments to a crowd that was larger than the wets had in the same hall the night before. He declared that the abolition of the liquor business was not a question of politics, or of religion, but a question of right living. Sure he hit the nail right on the head there.

IS APPRECIATED

I wish to thank the voters of Gratiot county, and particularly those on the Republican ticket, who so loyally supported me at the polls on Tuesday, November 7th. The votes of all were most highly appreciated, and it will be my endeavor during my term of office to show by my acts that they were worthily placed.

Sincerely yours,
Newell Bradford, Sheriff

FRAUDULENT CONCERN

Post Office Warns Against a Mail Order Office.

Ladies keep away from their skirts and suit advertisements or you'll lose. The National Mail Order Brokerage Exchange of Minneapolis, Minn., is the concern against which the post office department warns you.

The system used by the National Mail Order Brokerage Exchange is said to resemble one of those endless chains, which always amuse the ladies and easily extract their money. The ladies were asked to write to ten others and then write to the firm, enclosing a stated sum, and by return mail a beautiful creation, called a skirt, would be sent. The ladies failed to receive the skirts however.

It is reported that a large number of letters have left Alma headed for the National Mail Order Brokerage exchange, all of them from local ladies. Ladies, we beg leave to inform you that your letters are reposing in the dead letter office, awaiting inspection and after your name and address is found inside, it will be returned to you.

GAME WITH OLIVET IS SATURDAY FEATURE

Crimson Coming With Strong Team and Will Give Alma a Hard Game.

The annual game with Olivet will be played here next Saturday, November 11. It is a game with Alma's oldest rival in the M. I. A. A., and a team that Alma is always out to beat, when she can. The Crimson plays her strongest game against the Maroon and Cream. The following scores since 1900 show how the games have gone:

	Olivet	Alma
1900	11	6
1901	0	6
1902	0	10
1903	11	0
1904	5	0
1905	10	0
1906	4	0
1907	14	0
1908	No game	
1909	30	0
1910	8	14
1911	9	8
1912	0	58
1913	13	0
1914	7	3
1915	7	7
	94	110

In the fifteen encounters Alma has won just four times and Olivet ten. Only one game has resulted in a tie, this being last year's contest. Olivet has been able to score in fifteen games, ten of which were Olivet victories, just 94 points, while Alma winning only four games out of the fifteen has scored 110 points. Olivet has won six more than Alma. Every one out and aid the Maroon and Cream gain a game in this count. Turn out make a noise and aid in Alma's victory.

CAST BIG VOTE

Alma Casts Largest Vote in History of the City.

On Tuesday of this week the city of Alma cast the largest vote that the citizens of Alma have ever registered, the vote being 1090 in the four wards of the city.

The registration for the November election called out 1192 voters, so that Alma was about one hundred votes short of what should have been polled on election day in Alma. This registration is by far the largest in the history of the city, and the number that came out to vote on Tuesday, November 7th is by far the largest number that ever voted here. The former registration was a couple hundred short of the mark set this year and the number of votes, correspondingly smaller.

HOLD MEMORIAL SERVICES

Memorial services for Mrs. Col. A. E. Kimball, who with her husband were leaders over the Salvation Army work in Michigan and Indiana, will be held in the army barracks, Sunday evening at 8:00 o'clock. Mrs. Kimball's death occurred at her home in Detroit, Tuesday and her presence and beautiful Christian character will be missed by every officer and soldier in the two states. Everyone is urged to come to this service which will be in charge of the officers Capt. and Mrs. Lamont and soldiers of the local corps.

JOHNSTON OUT

Captain Eddie Johnston of the Alma college football team has finished his college football career. Last Saturday against the Aggie Scrubs, Johnston received a broken and dislocated shoulder and will be out of the coming three games. Eddie doesn't mind the Notre Dame game so much, but it hits him hard to be out of the two big Michigan Intercollegiate scraps with Olivet and Kalamazoo.

REPUBLICANS CARRY COUNTY

Entire Ticket Ushered Into Office with a Big Vote Behind It.

BRADFORD WAS RE-ELECTED

Race Between Him and Helman a Hot One, But Sheriff Gets Small Majority.

Gratiot county the entire ticket of the Republican party was returned a winner, but with majorities smaller than in most years, because of the way the vote went on the rest of the ticket.

In spite of the vote being smaller than usual for the Republican candidates all of them pulled through with comfortable leads, and there is no questioning the fact that the entire county state is safely ushered into office. Most of the candidates were out for a second term, and this naturally worked as an aid to them.

The hottest fight in the county, and really the only hot one was waged for the office of sheriff, and was staged between Sheriff Bradford and Jacob D. Helman of Alma. Bradford, the Republican candidate, was given a big battle by the democrats, but was finally elected by a majority of about two dozen votes.

Alma returned a big vote for Helman, as was expected, the Alma man leaving herewith a majority of about 300. Bradford pulled a big vote out of Wheeler and Ithaca and these two precincts kept the entire Republican ticket intact, as they enabled to down Helman.

The list of county officials elected Tuesday follows:
Judge of Probate—J. Lee Potts.
Sheriff—Newell Bradford.
Clerk—Bernie L. Case.
Treasurer—Gaylord Nelson.
Prosecuting Attorney—Ora L. Smith.

Register of Deeds—Bird J. Tucker.
Circuit Court Commissioners—J. D. Spinney and John M. Everden.
Coroners—Bert C. Hall and Will K. Ludwig.
Drain Commissioner—Erva R. Laycock.
Surveyor—Joseph W. Harrod.

MUST REBUILD

Coach Helmer Facing a Hard Job at Season's Ending.

Coach Harry Helmer of the Alma college football team is facing a hard task, right at the end of the college football season, he is being forced to rebuild and change his lineup greatly because of injuries to the men on the team during the past week.

The loss of Captain Eddie Johnston at halfback is causing deep concern and makes necessary a big shift. Fitch, fullback, will be sent to Johnston's halfback position against Olivet and Ed. Foote, the Grand Ledge giant, will play the fullback position. Foote is now suffering from a broken nose, but has given Helmer the assurance that he can take the poundings from the Olivet crowd and go back for more. He is a fine linesman, and can be depended upon to give Alma many a yard in the big Saturday battle.

French will be out of the game with a bad knee and his place will be taken by Lott of Ithaca. Lott has not got the game down pat yet, but is a hard fighter and will be able to give a good account of himself in the game with Crimson. He put up a nice brand of football against the Aggie scrubs last Saturday and the fans are pinning a big hope on him. The defense is being changed to meet the Crimson style of attack and with a strong line, Alma is expecting to put up a great game both on defense and offense. The Alma team is not predicting a victory over the Crimson, owing to the injuries which have hurt the team's chances during the past week, but are preparing to put a great battle for the day's honors.

ATTENTION GLEANERS

Please remember that under the new law members of the Best Arbor must elect our officers the first meeting in November, which will be on Tuesday evening, the 14th, at the home of Alvin Miller, south of Alma. Let every member feel that it is their duty to be present at this meeting, as it is an important one. We need the best material at this time and let all be here to help elect.

NIGHT SCHOOL

All persons desiring to enroll in the night school to be held in the high school building during the winter months are requested to meet at the high school, Monday evening, Nov. 13 at 7:30. A. F. Schultz, Supt. 64-1t-c

MISS FAFTY MARRIED

Former Alma Girl is Wedded in Sunny California.

Announcements have been received here of the marriage of Miss Trudie Fafty, formerly of this city, to Mr. Nelson D. Bell of San Diego, California, the marriage taking place at the home of the bride's parents in that city.

The wedding took place on October 15th, 1916, according to the announcements which were received here.

Mrs. Nelson D. Bell is the daughter of Mr. and Mrs. John Fafty, former residents of this city, who left Alma several years ago to make their home in California. While residing in this city she gained a host of friends, who will be interested in the announcement of her marriage.

ALMA MUSICAL CLUB TO MEET THIS WEEK

First Number Will be a Musical Recital by Morton-Crume November 11th.

The first number of the Alma Music club course will be a recital by Frances Morton-Crume, noted contralto, and will be held in the reception room at Wright hall at the college, Friday evening, Nov. 17th. Members of the club are assured of an excellent program and a pleasant evening.

Other noted artists are being secured by the club and this first season of the local organization promises to be very successful both in point of excellency of programs and in membership.

A few press comments on Madame Crume's more recent successes follow:

Grand Rapids Press, Feb. 1st, 1916: "The Artist Trio was assisted by Mrs. Frances Morton-Crume, who made her local debut on that occasion, and achieved a veritable triumph Mrs. Crume came here recently from New York, and is a member of the faculty of the Malek school in the vocal department. She has a magnificent voice, a pure contralto of beautiful quality and splendid resonance, a wealth of temperament and strong dramatic feeling and expression. She sang 'My Heart is Wrong' (Goring Thomas) with deep feeling and splendid vocalization. Her singing of 'The Cry of Rachel' (Turner Salter) thrilled with its dramatic power. The aria 'Lieke Signor' (Meyerbeer) was in quite another mood, light and florid, and she made the transition of style very well."

"Her accompaniments were admirably played by Miss Anna Cada." Grand Rapids Herald, April 1, 1916: "Mrs. Francis Morton-Crume of the Malek school who is rapidly winning well deserved favor with Grand Rapids public, as vocal soloist. Her program of songs was admirably adapted to her rich contralto voice. She has a wide range and sings with a beautiful sympathy. Miss Anna Cada accompanied Mrs. Crume with an understanding touch that formed a worthy background for the singer's voice."

Musical Almanac, Sept. 2, 1916: "Frances Morton-Crume, the contralto, met with an enthusiastic reception at the musical festival of Montecito, Aug. 11-13. On Friday night Mrs. Crume received an ovation. Her voice was at its best and she rose to splendid heights in her delivery of 'The Cry of Rachel,' while in 'The Three Gypsies' (Liszt) and 'You Are All That is Lovely,' she captivated her audience. This was Mrs. Morton-Crume's seventh season at Montecito, having had charge of voice department last season."

BIG TRIP TO GET VOTE

On Monday evening of this week Father Mulvey of this city gave an address at Cheboygan for the dry cause in Michigan and then made an all night trip to get home to vote. After making the address at Cheboygan he went by rail to Saginaw, and then drove from Saginaw to Alma in his car, getting here about the time the polls opened Tuesday morning. Immediately after voting he left for Big Rapids, where his sister, Virginia, has just undergone an operation. Had he not made the night trip to Cheboygan to Alma, he could not have returned to Alma in time to vote, as in that case he could not get here until night, and the polls would have been closed.

WHEELER IN TROUBLE AGAIN

"Jim" Wheeler, who in the past is said to have caused more or less trouble for officers in the city of Alma is again bumping up against the law, and this time is facing a charge of receiving stolen property and another charge of larceny.

It is claimed that Wheeler enticed some youngsters to steal and bring stuff to him, which it is said that they did. It is reported that among the things stolen was a new motor truck tire, said to have been taken from the Republic. Other things were also taken, it is said from other places.

The prosecuting attorney is in Alma today going into the case, and it is probable that prosecution will follow.

MICHIGAN FOR PROHIBITION

People Return Tremendous Vote Against the Liquor Traffic in the State.

HOME RULE AMENDMENT HIT

Vote on Liquor Amendment Was Defeated by Over One Hundred Thousand.

The wets have no choice in Michigan and nothing that they can claim in the face of the statewide returns which have been pouring in since Tuesday. The state of Michigan has voted dry by upwards of 60,000, according to the latest available reports, with Hudson of the Michigan Anti-saloon league claiming that Michigan will be dry by about 80,000.

In this connection it is also well to note the fact that the wet amendment for "Home Rule" in Michigan has gone to defeat by a bigger vote than that which was given to statewide prohibition. It is being estimated that the liquor interests amendment for the unit system of local option has gone to defeat by a vote of about 100,000 in the state.

The total vote is not yet in on either of these questions, but the majority of the state vote is in, eight-one of the counties having been heard from, and with most of the vote of the entire eighty-one counties in now. A few precincts in Detroit are still missing, but that does not count for much as Wayne county is returning a surprisingly small majority in favor of liquor in Michigan.

With the vote in favor of prohibition and against home rule, running the way they have been on the returns so far in, it is only a question of how much larger the majorities on these two will be, when the entire vote of the state is in.

The count from Saginaw county is in, and shows a small majority for the wet cause, as does the count in Wayne county, from which returns are nearly all in. Kent county, in which Grand Rapids is located went dry by a small majority. All counties through central Michigan return majorities in favor of statewide prohibition. Shiawassee gave about 2,000, Montcalm about 2,000, Isabella county about 1,000, Ionia, about 3,000; and Gratiot county, which has been dry for nearly ten years, returned a majority of 2,529 for state wide prohibition. On home rule Gratiot returned a majority of 2,572 against the liquor amendment. Nearly every county that went from prohibition hit the liquor amendment slightly worse than the vote for prohibition.

SCHOOL ELECTION

Students Hold Election and Return for Wilson.

The Alma high school students held an election the first of the week on the regular tickets and the home rule and prohibition amendments.

On the national ticket the following returns were made, Wilson 91, Hughes 96, Marshall 1. Senator: Townsend 126, Price 53. Congress: Fordney 116, Seegmiller 61, Governor: Sleeper 104, Sweet 76.

County ticket, Judge of Probate: Potts 117, Burns 60. Sheriff: Bradford 75, Helman 105. Treasurer: Nelson 93, Sullivan 84. Clerk, Case 120, Brodebeck 56.

On prohibition the students returned 162 for a dry Michigan and 17 of the students wanted to see Michigan stay wet. On home rule 18 voted for the measure and 157 against it.

This practice of voting in the schools on election days is a good one as it teaches the students how to vote, one thing that many do not know who have voted for years.

SECOND NUMBER FINE

The second number of the Alma lyceum course given on Wednesday night of this week, Mrs. Fenetta Haskell, in a dramatic reading, was well greeted by the large audience that was present.

Her rendition of Justin Hunt McCarty's drama, "If I Were King," held the close attention of the audience from start to the close, leading her audience from one scene to the other with interpretations that help up well through the dramatic climaxes of the play.

Before entering into the play, she paused to give a resume of the history of the play, and its influence, which made it the more interesting to her large audience.

FOUNDRY MOVES

Alma Standard Foundry has Moved to City of St. Louis.

The Alma Standard Foundry & Manufacturing company, for several years one of the minor industries of this city, is now located in its new plant in our sister city, St. Louis.

The company has a nice new building in St. Louis, much larger than the one in which the concern was located here in Alma. The building is of brick construction, and is a neat appearing structure, as compared with the old wooden building, which the company used for several years here.

The old Alma plant was located on the bank of Pine river, near State street. The building is now being torn down and will remove one of the eyesores of the city, the structure having been anything, but a neat looking building.

It is reported that the company is employing more men in St. Louis than it did here, and that it is enjoying a good business.

ALMA COLLEGE IS AGAIN WINNER

Romp Over the M. A. C. Scrubs Almost at Will and Score Many Counters.

The Alma college football team returned to form last week Saturday, and walked over the M. A. C. Scrubs in great style, winning by a count of 27 to 6.

Following the poorly played Albion game the week before the Alma fans did not entertain any high hope of downing the Aggie Scrubs, but the team came back and played a fine game at all stages of the encounter and had the Farmer seconds on the defensive nearly the entire game. Helmer used two backfields against the Scrubs and both worked good.

To start the game McCool kicked to Sullivan of Alma, who returned the oval to the 15-yard line. Alma worked hard on linesman, end runs, etc., and with these and several exchanges of punts, backed the Scrubs up on their own goal. They were forced to punt out and Hoolihan grabbed the ball on the 30-yard line and with Smith giving him perfect interference carried the ball back across the goal. He added a point by kicking goal.

McCool kicked off to the Alma one-yard line and the ball was carried back to Ed. Foote to the 13-yard line. Alma was forced to punt on the fourth down, Hoolihan sending the ball to the 50-yard line. A pass, McCool to Laidlow, gave the Scrubs fifteen and Alma was soaked fifteen for interference on the next pass, giving the Aggies the ball on the 20-yard line. Alma held in great shape and on the last down McCool tried a drop-kick which went wide, giving Alma the ball on the 20-yard line. The quarter ended with the play.

Alma was held and a poor punt gave the ball to the Aggies on the 33-yard line. The Farmers made first down and then lost the ball on downs. Alma was forced to punt, and the Aggies also punted after being held, the Aggies punting to the Alma 35-yard line. Hoolihan returned 15 yards, Alma was forced to punt, M. A. C. getting the ball on her own 29-yard line. M. A. C. was penalized fifteen for holding and punted to Hebert on the 50-yard mark. Linesman gave Alma a little ground and on the third down Hoolihan passed to Richards, the play giving Alma the ball on the Aggie eight-yard line. Hoolihan on a cross buck carried the ball over. He missed goal. The rest of the half was about even.

Alma kicked to M. A. C. and with McAuley doing some great tackling Alma kicked to M. A. C. to start the second half and then held the Scrubs for downs. Hoolihan made 15, and Sullivan added a yard. Hoolihan passed to Richards, who went over the Aggie goal. Hoolihan-kicked the goal. The Aggies kicked to Sullivan on the Alma ten and Sully returned the ball to the 22-yard line. A pass Smith to Hoolihan gave nine yards. After making the first down the Aggies held Alma and forced a punt. On the third play Fitch intercepted an Aggie punt, giving Alma the ball on the M. A. C. 39-yard line. Hoolihan made three. A pass failed and then a pass Smith to Fitch went for 30 yards and a touchdown. Hoolihan scored. The quarter ended with the ball near the Alma 40 yard line, in Alma's possession.

Smith went 22 yards to start the last quarter on a fake. Two more plays and M. A. C. intercepted an Alma pass on her own 27-yard line. The Scrubs failed to gain in three and punted to Smith, who returned to the M. A. C. 32-yard line. One pass failed and the Aggie intercepted the next. Jewitt ripped off 30 yards around end, and after one down added ten more. Jewitt again came through with a first down. On the third play Hebert intercepted a pass on the Alma 20-yard line. Alma punted to the M. A. C. forty. Alma lost fifteen for holding. After two plays Richards intercepted an Aggie pass. Smith made six and E. Foote made it first down. On the next play Jewitt grabbed an Alma pass on the 50-yard mark and raced down the sideline to the goal. McCool failed to kick goal. Three

STATE OFFICES TO REPUBLICANS

United Party in Michigan Made Clean Sweep of The State Offices.

TOWNSEND IS U. S. SENATOR

Fordney Goes Back to Lower House of Congress and May Write Tariff.

Michigan again rolled up a big Republican majority and the entire Republican state ticket from governor down was carried into office with big majorities, according to the latest available returns.

Sweet made a good run against Sleeper for governor, but failed to muster the strength that Ferris had been able to command, while Sleeper had a united Republican party back of him, which stood staunchly by him and the rest of the ticket. Sleeper's majority is estimated at around 70,000. U. S. Senator Townsend goes back to congress again, he having had an easy time disposing of Price, his Democratic opponent. Townsend has been popular and his popularity has given him a majority of around 50,000.

Dickinson for lieutenant governor, Vaughn for secretary of state, Odell for state treasurer, Fuller for auditor general, Groesbeck for attorney general, and Grant Fellows for the supreme court, were all elected by handsome majorities.

Congressman Joseph Fordney of this district is re-elected for his tenth successive term, by a majority estimated at about 4,000 votes, and with a final Republican national victory will be the man to write the next tariff. Fordney did not put forth any great efforts this year, his campaigning having been very little. He put it up to the people, relying upon their intelligence.

John A. Damon of Mt. Pleasant returns to the state senate from this district with a fine vote behind him, winning over Fred Bradford of Arcadia township. This will be Damon's second term.

Harry Rose of Ashley clambered into the band wagon with the rest of the winning candidates and is the representative in the state legislature from Gratiot county. Rose received a big vote from the county in his victory.

POISONED BY MEAT

Mother and Four Children Sickened—One Died.

Hazel Wilson, seven years old, daughter of Mr. and Mrs. Foster Wilson of St. Louis died at the home of her parents in that city last week, after being taken ill with ptomaine poisoning, caused by eating bologna sausage.

Mrs. Wilson and three other children were also taken sick from eating this same meat, but are now said to be out of danger, and will recover.

WORTH READING

Everyone owning a good piano should employ a tuner who has had not only a thoroughly technical education, but also an extended practical experience in tuning and repairing. O. E. Davis of Grand Rapids uses the only accurate system in existence for tuning—the "Equal Temperament"—and all who employ him vouch for his efficiency. Now is a good time to leave an order at Scattergood's store.

4-11-t-c

plays after the kickoff the game ended.

The entire Alma team played in great style. Hoolihan, Smith, Fitch, and Richards tore off long gains time and again. On defense the entire team was a veritable stone wall. Johnston played a great game, but late in the contest the Alma captain was injured and is out of the game for the season with a broken shoulder.
